

## INVESTIGATOR SPONSORED TRIAL PROPOSAL

Completed forms should be submitted to [verastem-IST@verastem.com](mailto:verastem-IST@verastem.com).

Alternate proposal formats are accepted for review provided that they contain the information requested in this form.

Verastem will review all proposals through an Investigator Sponsored Trial Review Committee. Decisions are made based upon medical and scientific merit as well as available resources. A formal notification of the decision will be communicated to you. Please note that submissions are not considered confidential.
